

Anchor Builders' presence is requested by the area's finest communities. They come to us to design and build true custom homes, offering the highest level of fit and finish and at a great value for their residents.

Here are a few of the communities Anchor Builders is proud to be a part of...

Sanctuary is where the stress of the world is held at bay beyond the vineyards and gates of The Lake Club. You'll find tranquility in this Tuscan-inspired, private club community of custom luxury homes featuring scenic lakes and a Grand Clubhouse with concierge services and a resort-style pool.

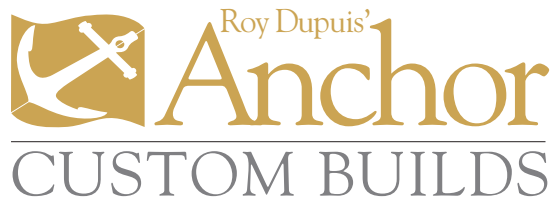

The Concession Golf Club & Residences, is something truly special, a well-deserved and earned lifestyle choice. The 1,200 acres of centuries-old live oaks, towering pines and protected wetlands encompassing the property flawlessly preserve the natural beauty surrounding our custom estate homes.

The Islands offer a year-round playground for those who love boating, fishing and water sports of all kinds. Located on Florida's Suncoast, this tranquil golf and boating community on the north shore of the Manatee River is minutes to sun-kissed Gulf of Mexico beaches and shimmering waters.

The Forest features one of Sarasota, Florida's most unique settings within a gated community surrounded by unspoiled Florida countryside. Three to five-acre country estates assure owners plenty of room to create a home for gracious private living that can truly be called an Estate.

Exclusive. Custom. Residences.

The neighborhoods of Sarasota offer a wealth of lifestyles. The current trend is to procure that perfect homesite and create a custom home that is as unique as you are. We handle all phases of the process with Roy Dupuis' guidance dating back to the 1980's. Let us help locate your next homesite, or if you already have your own piece of paradise then let's get started!
